

RADIUM

TECHNICAL DATA

Application	Inground Recessed
Location	Indoor / Outdoor
Light Source	LED
Optics	10°, 36°, 10°x80°
LED Life time	50000 hours
Connection details	Parallel Connection
Installation	Recessed
Supply	DC 24V
Working Temperature	-30°C - +50°C

FINISHING

Materials	316 Grade stainless steel body with recessing box Tempered flat glass lens diffuser
Finishing	Anodized Aluminum (A), Worked Steel (I) Anodized Black (J)
Color	Matte Steel
Diffuser	Tempered Flat Glass lens
